

Message from the Chairman

Welcome to the first edition of our newsletter. We hope that this will keep you up to date with the goings on within the Northern Ireland branch of the MNDA. The Branch has had considerable success in fundraising since the last edition of the old newsletter but as a result of the current economical difficulties the demands upon our resources are steadily increasing. We are grateful for the support we have had from the various groups who have raised funds on our behalf and continue to be astonished by the generosity of the people of N.I and we look forward to continued success in this area. If you have an idea about an event and are unsure how to proceed give us a call and we will help get things moving and provide as much support material as we can.

In my capacity as Chairman I am very grateful for the support of the members of the committee. We are a small group and would welcome new blood to allow us to increase the work we do. If you think you could help please get in touch.

**Profile of an Association Visitor
 Fiona Hutchinson**

Association visitors play a vital, valued and unique role in helping us to ensure people with MND and their families receive the support and services they require. Fiona got involved with MNDANI in 2009 after losing her mother in 2003 to MND. She provides emotional support to those who need it most, by providing a friendly face. Vote for Arthur!

The MND Association (of which the Northern Ireland Branch is part of) is governed by elected trustees. Committee member Arthur Newell, who has been living with MND since 2003 is applying to be a trustee and asks those of you who are association members to vote for him. Arthur is an extremely active member of the committee and would be an excellent trustee.
